

3D Carousel Card Kit Matching Boxes

Print out onto photo paper or cardstock. Turn over and feed back into the printer and print one of the matching backing papers onto the reverse.

Score, fold, and crease the base where shown. Cut the slits and add double sided tape or glue to the tabs as shown.

Fold in the corners, make sure they are square and stick together

Make up the top in the same way removing the centre for the aperture and adding acetate using double sided tape on the under-side. decorate as desired.

These boxes are oversized to allow for the bow and decoupage layers and really finish off the beautiful 3D Carousel Cards
