

## **Instructions to make a circle stepper kit**

1. Print out all sheets to make the kit onto good quality paper or photo paper and cut out the ones you want to use. You may decide that you do not want to use them all.
2. Print the envelope onto strong paper and follow the instructions to make it.

2. You may decide that you don't want to add all the embellishments or decoupages in the kit, so pick out the ones you want to add.
3. On the stepper sheet score along lines A, B & C see fig 2
