# Personalised Chocolate Wrappers

These chocolate wrappers will fit a 100/125g bar or a small bar as shown or with any other similar sized bars

Remove the outer wrapping from your bars

Print onto paper and cut out

I will show with the small bar. Place the image centrally and fold gently at the edges of the bar.

Fold over the narrower side. You can trim this side to fit if it's too large. Add adhesive where shown in red on the photo

Fold over the other side and adhere in place

The larger wrapper is made in exactly the same way

There are lots of designs to choose from too!!

These are the bars I tried the wrappers with

and this is what they looked like in their smart new wrappers

This larger bar has a lot more silver foil showing top and bottom though

But if you'd like a wrapper designed to fit the larger bars let me know and I'll be happy to design it

Lots of the bars that I wrapped
