

Triple Easel Card & Envelope Instructions – designer Lynne Crosskill
for www.craftsuprint.com

1. Print out all pieces on good quality cardstock or photo paper.
2. Print the Background sheet given on the reverse side of the main card panel and the insert panels if desired.
 - 3. Score & fold on the dotted lines.
4. Assemble your decoupage pieces using 3D foam tabs

6. Glue or tape your panels together: card should look like this

7. Attach any embellishments you wish.
8. Make your envelope for mailing & you are done.
