

**Bunny Box Instructions** – designer Lynne Crosskill  
for [www.craftsuprint.com](http://www.craftsuprint.com)

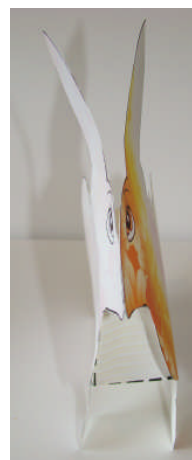

1. Print out all pieces on good quality cardstock or photo paper.
2. Print the Background sheet provided in the kit, on the reverse side of the main bunny panel and the backside of the box panel, if desired.
- 3. Score & fold on the dotted lines.

4. Assemble your decoupage pieces using 3D foam tabs

6. Glue or tape securely, your panels together: card should look like this

Front

Back

7. Attach the embellishments provided and any others you wish.
8. You are done, now you can fill it with goodies and give it to your favourite person.
