

3D Pop Out Transport Card Kits

Fabulous keepsake cards that are simple to make but look so stunning when made up and will WOW the recipient.

For best results print sheets 1 to 4 onto photo paper or good quality cardstock

3D Pop Out Transport Card Kits

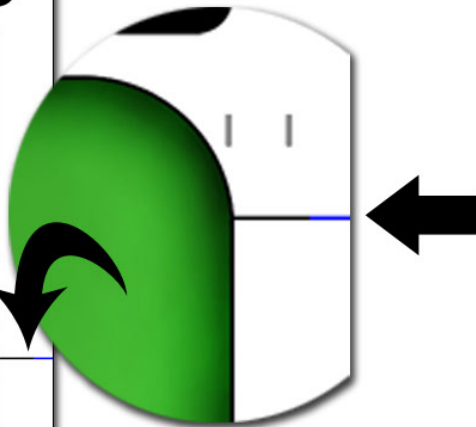

Before cutting out score each of the fold lines where marked on the sheets by grey registration lines.

Also before cutting out extend the cutting lines at the top and bottom of each of the 3 layers to the

edge of the cardstock as shown by the arrows and shown in blue on the photo

Cut out all the pieces, Cutting to the edge of the cardstock of the 3 panels

Cut out, score, fold and crease the pop out mechanism layers as shown on the left.

Add double sided tape where shown below

3D Pop Out Transport Card Kits

Take the back piece of your card and turn over. Fold and crease along each of the the 3 score lines

Add double sided tape to the top where shown at the top

and also on the small folded edge at the bottom

Take the card front, line up and attach the top of the card front to the card back.

Open up, peel back the double sided tape at the bottom, line up the bottoms and stick down.

3D Pop Out Transport Card Kits

Take the largest of the layers and turn over

Fold and crease the sides of the layers and add double sided tape

Attach the largest pop up layer to the bottom of the card with double sided tape. Position it in approx the centre just above the bottom of the card.

line up and attach to one side of the card front.

3D Pop Out Transport Card Kits

Open up and remove the backing from the double sided tape.

Fold the panel over and making sure the edges are lined up attach to the pop up layer

Remove the backing from the double sided tape on the last flap and lining up the edges stick into place

Add the top 2 of the layers in the same way.

If wished add a different sentiment, Learner or new driver plates to the front and/or back. You'll find these in most of the kits too!

3D Pop Out Transport Card Kits

A gentle push on the card front will squish the layers and your card will slip into the matching envelope ready to instantly Pop Out when opened by the recipient!
