

# 8" x 8" Card Mini Kits

## Instructions

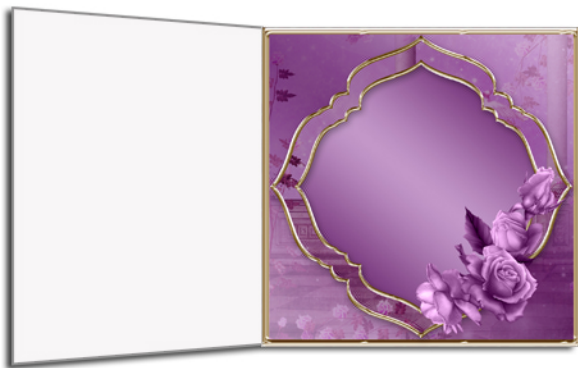

designed by **Mary MacBean** exclusively for [www.craftsuprint.com](http://www.craftsuprint.com)

An 8" square card blank is required for this design

Print the 2 sheets onto medium to heavy weight card or photo paper. Cut out all pieces

Using double sided sticky tape or glue, attach the card front to your blank card, lining up the edges.

Using double sided sticky tape or glue, attach the insert to the inside of the card, lining up the edges.

Using sticky pads or silicone glue for extra dimension, build up the decoupage on the front of the card starting with the largest piece and building up to the smallest, ensuring that the design matches.

To finish the card attach either one of the included sentiments or use the blank tag for your own message.
