

Butterfly Oval Easel Cards Instructions

Designed by Mary MacBean Exclusively for Craftsuprint

Print out both sheets onto medium to heavyweight card or photo paper.

Before cutting out, score along the fold lines on the easel base where marked. Cut out all pieces

Fold the base along the scored lines to make the easel shape.

Attach the card front to the folded-over front of the easel, matching the bottom edges and making sure only the lower part of the front is attached to the easel.

Glue along the backs of the butterfly layers on the body part only, leaving the wings free. Attach the butterfly layers to the card front. Fold the wings for effect.

Using silicone glue or sticky pads, attach the decoupage piece to the topper matching the design.

Attach the stopper to the easel base using sticky pads or silicone glue for depth.
