

3D Christmas Crackers

Fabulous cracker shaped treat or favour boxes together with a gift card, decoupage tags and greetings. These wonderful gift boxes would be great for small presents, Teacher Presents, on the Xmas table or filled with party treats or they make great favour boxes and Christmas tree decorations too!

3D Christmas Crackers

Please read the instructions all the way through before starting to make up.

for both boxes
before cutting out use a ruler and scoring tool to score the fold lines on sheets where marked I have marked these in red and blue on the diagram

Cut out all pieces.
Fold and crease all score lines using a bone folder.

The red lines denote mountain folds and the blue lines valley folds, remove the striped areas.

Your box will now look like this.
Add dst to the glue flaps where marked in blue on the photo

Turn over and fold in the glue flaps as in the left photo.

Fold over and adhere the other side to make a tube

3D Christmas Crackers

Your box will now look like this from the end

Gently ease the middle sections at the bottom inwards and secure with ribbon, cord or thread etc

Slip a present or treat in the top and secure the top

Add any decoupage, greetings, and/or tags from the kit. Score, fold, and cut out the matching folded gift tag

3D Christmas Crackers

Each side of the snowy scene crackers are decorated differently

I finished each my crackers differently with ribbon, jingle bells, crystals and tinsel etc plus holly, greetings and tags from the kit, and lots of glitter!!

For a different look I also cut along the chevrons on one of mine to create a shaped top and bottom. I then added crystals too.

Most of the kits contain 3 coordinating crackers, the flag kits contain 1 cracker.

There are tags and greetings plus 3D decoupage holly too. the holly and in some of the kits the decoupage, is separate so you can choose where or if to use it!
