Please read the instructions all the way through before starting to make up.

before cutting out use a ruler and scoring tool to score the fold lines on sheets where marked I have marked these in red on the diagram

I didn't print the backing onto the reverse of sheets 1 & 3 to make it clearer for you to see what I am doing.

Take the card base from sheet 3 fold over on the top score line and add dst where shown in red on the right photo

left photo - Adhere the top half of the character to the dst we added above, aligning and centering along the bottom edge.

right photo - Trim away any base that shows at the front above the shoulders. See page 3 for more info on this.

Fold up along the bottom score line and add dst to the small flap where shown in red on the right photo

Adhere the bottom half of the character to the dst we added above, aligning and centering and making sure the flap is completely covered

Add the decoupage using foam tape or silicone glue

left photo - Your card will now look like this when viewed from the side.

right photo - To stand the card up place on a shelf or edge of mantelpiece etc. Allow the legs to 'dangle' over the front and the base to 'sit' on the shelf, placing the bottom edge of the top of the character behind the hands and top of the knees as per the right photo.

To flatten the card

left photo - lift up the top half of the character and fold in the bottom half of the character under the top half so your card will look like the right photo when flattened.

From page 2

left photo - If necessary trim away the white area on the front and the back as shown by the arrows on the left photo.

right photo - Add the large greeting panel will fit on the back of your card and the instructions to display the card underneath. Your card could be used like this or with the mini card and envelope as per the following instructions

left photo - Cut out and fold the mini card in half along the score line. The optional letter paper could also be used as a card insert.

Right photo - cut out the mini envelope

left photo - fold in the 2 sides along the score lines

top right photo - fold up the bottom flap and adhere with dst

bottom right photo - slip the mini card (or the letter) into the envelope

Left photo - take the main card and add dst to the envelope graphic as marked in red on the photo

right photo - adhere the mini envelope to the dst, aligning with the envelope graphic

Add the hands using mini foam dots or silicone glue, align with the hand graphic and making sure not to adhere it to the inside of the envelope or the mini card.

This makes sure that the mini card will be removable

Make up the matching envelope using the directions on the sheets.
