Read these instructions all the way through before making your card

Before cutting out use a ruler and scoring tool to score the fold lines on sheets where marked.

Use the lines at the edges of the sheets to align your ruler.

Mountain fold the red line and valley fold the blue line as shown on the diagram (above left)

Add dst or foam pads to the 'half' graphic. **As shown in red on the photo**

Add the 1st layer of the graphic to the dst. (as per photo on left)

Add foam pads to the back of the decoupage and add to the card.

There is a matching decoupage bow and butterflies you can add too.
