

3D Book Easel Card Kit

Super keepsake cards that are easy to make and so much fun to receive.

1. Cut out all pieces on the 3 sheets provided in the kit.
2. Score and fold the base of your card where indicated.

Assembling your book portion of the easel is simple.

3. Layer Book Panel A onto Panel B using foam pads to raise the layer.
4. Attach all the 3D pieces using foam pads or whatever mean you wish to provide the 3D effect.
5. Attach the book to the panel of the base card where indicated. (Panel C) using double sided tape or glue.
6. Attach the salutation tag provided in the kit to hold your easel in place.
7. Selections of salutations are provided in the kit along with a blank one. Add whatever embellishments you wish and you're done.

It's that easy and you have a stunning card ready for someone special.
