

8 x 8 Decoupage Card Kits

Fabulous keepsake cards that are simple to make but look so stunning when made up and will WOW the recipient.

For best results print sheets 1 to 4 onto photo paper or good quality cardstock

Before Cutting out score where marked on the back of your card. Cut out all pieces

Fold over the glue tab you scored earlier and crease. Add tape or glue to the glue tab as shown by the arrows on the photo

Take the card front, line up and attach the card front to the card back.

The insert panel is slightly oversized to allow room for trimming. I have trimmed mine using a decorative edged rotary trimmer. Add to the inside of your card using tape or glue

I have chosen to add the small image to the inside of the card front, but it would also make great gift tag too! Or why not include your contact details on the back of the topper, and pop in with your finished card ... for future orders!

Add the 3D Step by Step Decoupage using double sided foam tape, dimensionals or silicone.

Most of the decoupage is easy cut More experienced crafters have the option of making the designs as complex as they wish!

There are a number of decoupage layers but you don't have to use them all if you don't want to.
