

3D Top Drawer Gift Set

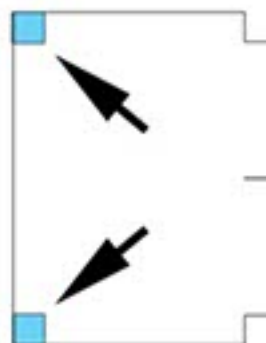

Print all the sheets. Refer to the sheets to find out how many times to print each sheet

Before cutting out use a ruler and scoring tool to score the fold lines on sheets 1 to 5. Turn over sheets 1 and 4 and print the backing paper (sheet 5) onto the reverse of these sheets. If you'd like the inside of your drawers patterned print onto the bck of sheet 2 as well.

Cut out all pieces, cut the cut lines where marked. Fold and crease all score lines using a bone folder.

Take the 2 lids (sheet 5 printed twice) and adhere back to back using glue stick, Place to one side to dry.

Take the 2 drawer sleeves (sheet 2 printed twice) and cut away the small square marked in blue in the diagram from one of them and place as in the photo

Turn over, add adhesive where marked in blue on the photo. fold over the flap on the right hand piece and align. Fold over to adhere together

3D Top Drawer Gift Set

With a ruler and pencil draw a line from the V slit to the other V slit

Take the divider (sheet 4) and place adhesive where marked in blue on the photo.

fold in half and fold down the flaps to form an **I** shape from the end

Place adhesive on 2 of the flaps, where shown in blue on the photo. And lining up the centre with the pencil line you drew earlier place approx 2 mm away from the score line and adhere in place.

Place adhesive onto the flaps where marked in red on the photo

Fold over and adhere in place over the bottom flaps of the divider.

3D Top Drawer Gift Set

Squash the divider to one side and place adhesive on all the flaps where marked in blue on the photo

Return the divider to an upright position

Lift up the LH side of the drawer sleeve, and the flaps on the RH side and open out the small glue flaps

Adhere the small glue flaps onto the outside of the RH flaps on both sides to create the corners of your drawer sleeve

Fold the LH side over and making sure the divider is lining up with the pencil line adhere together.

3D Top Drawer Gift Set

Your sleeve will now look like the LH photo. Fold in and adhere the flaps over the divider flaps so your sleeve will look like the RH photo

Adhere the remaining flaps over the outside on both sides.

Your drawer sleeve will now look like the RH photo
