

3D Scene it Card Kits

Lovely 3D Cards that open up into a scene and fold flat for posting
For best results print sheets 1 to 4 onto photo paper or good quality cardstock and sheets 5 & 6 onto good quality paper.

Before cutting out use a ruler and scoring tool to score the fold lines on sheets where marked.
Cut out all pieces, fold and crease all score lines using a bone folder. Mountain fold on the tab score lines and valley fold on the central score lines. Cut out the central areas from sheets 2 & 3

3D Scene it Card Kits

Take the card middle layer. valley fold on the central score line and mountain fold on the outer score lines. Cut out the central area and add adhesive where shown in blue on the photo

Valley Fold the Card Back Layer and place as shown.

Take the card middle layer, align and adhere the left hand side to the card back layer using the tab and adhesive added earlier,

Do the same on the right hand side.

Place to one side

3D Scene it Card Kits

Take the card front layer. valley fold on the central score line and mountain fold on the outer score lines. Cut out the central area and add adhesive where shown in blue on the photo

Take the Card Back and Card Middle we adhered together earlier

Take the card front layer, align and adhere the left hand sides to the middle and back layers using the tab and adhesive added earlier

Do the same on the right hand side

3D Scene it Card Kits

Fold the 3 layers of the card in half along the central score lines

Fold the Card Front/Back in half, add adhesive to the inside

Open out and add to the inside and adhere the card front/back to the outside of your 3 card layers

Assemble the envelope using the instructions on the sheets. Your card will slip inside for posting

Open your card and slightly pull the front layer forward.

Your card will look like this from above
