1. Using sticky pads or silicone glue for depth, attach layers 1 then 2 over the topper base.

decoupage layers

2. Using sticky pads or silicone glue, build up the decoupage layers starting with the largest and building up to the smallest, ensuring that the design matches. Attach the decoupage layers over the matching pattern on the topper.

3. Using double sided tape or glue, attach the topper to the card blank of your choice. Finish the card by attaching a greeting using one of the included sentiments or the blank tag with your own message.
