

3D Xmas Cards in a Box

Lovely sets of Christmas cards with matching box, swing tags, small toppers and a folded gift tag. For best results print sheets 1 to 6 onto photo paper or good quality cardstock and sheets 7 & 8 onto good quality paper.

Before cutting out use a ruler and scoring tool to score the fold lines on sheets where marked. Cut out all pieces, cut the cut lines where marked. Fold and crease all score lines using a bone folder.

3D Xmas Cards in a Box

Take the box top and box base and place side by side as shown with the single walls to the centre and turn over

Fold over the flap on the box base, but up to the front.

Add adhesive where shown in blue on the photo

Fold over the flap to join the 2 pieces. The flap on the box top is slightly larger than the flap on the box base so centre them and leave very small gap at either end.

Your box will now look like this from the wrong side.

Add adhesive where shown in blue on the photo

3D Xmas Cards in a Box

Fold over and adhere the sides with a tab attached

Lift up one of the sides and fold in the small glue flaps

Lift up the end of the box and making sure the corner is square adhere in place. Repeat for the remaining 3 corners

Your box will now look like this

3D Xmas Cards in a Box

Fold in the remaining 2 sides and adhere in place. Make sure the 2 longer flaps are folded into the box as shown by the arrows on the photo

Score, cut out, fold, and crease the cut and fold cards and folded gift tag. Cut out the swing tags and toppers. the toppers can be added inside the card if wished.

Make up the envelopes as per the instructions on the sheets and place into your box together with the your cards.

Fold the front of the box over to close your box.

3D Xmas Cards in a Box

Your completed Xmas Cards in a Box

Your card box will open easily to put your card into it. With 1cm depth and double walled sides this is a sturdy box with lots of depth for your set of cards. These make great sellers at Craft Fayres etc.
