

# **Your Christmas Carol Toppers And Cards..**

**You will need a cutting machine  
to be able to cut these designs,  
They are all layered and some are sets  
with both a topper and a card**

**You will need either  
Silhouette Cameo  
Silhouette Portrait  
CraftROBO. or similar.**

**All files are in all formats for all  
machine users.**

**Cut all elements and layer by size  
with foam pads to give that 3d effect**

**All designs have been cut on  
250gsm card**
